Who is an Eligible Employer/Business?

Private, non-profit, and government entities are eligible employers. If you have a business with job slots available, you must meet the following:

- Businesses must provide a Federal Employer Identification Number (FEIN).
- Businesses must provide a DUNS number, a unique nine-character number that identifies your organization. If you do not have a DUNS number, you may request a DUNS number at no charge to you. **You will be able to apply for Put Illinois to Work without a DUNS number, but you will be required to apply for a DUNS number and present it to Put Illinois to Work staff upon receipt of it. You may also be subject to additional eligibility verifications.**
- Businesses must not be in default on payroll taxes or business taxes.
- Put Illinois to Work is not intended to subsidize a business' current workforce. Employers may not rehire individuals that were laid-off after March 15, 2010.
- Businesses must agree to comply with all applicable labor laws.
- Put Illinois to Work trainee-workers must not comprise more than 50% of the business' workforce at each worksite.
- There is a thirty (30) hour weekly minimum work requirement for Put Illinois to Work trainee-workers. Businesses/Employers must agree to meet this thirty (30) hour weekly minimum.
- Businesses must provide the necessary training to Put Illinois to Work worker-trainees to ensure competent and successful job performance, and to obtain transferrable skills.
- Business owners/Employers cannot employ family members as part of the Put Illinois to Work program. Put Illinois to Work worker-trainees may not be related by blood or marriage to the employer.

For more information call (847) 360-7177. For more details on the eligibility criteria and additional information on Put Illinois to Work and eligibility criteria, visit www.PutIllinoisToWork.Illinois.gov.
