

# LOOKING FOR A "GREEN" CAREER? TRAINING AVAILABLE AS A WEATHERIZATION TECHNICIAN

## Weatherization Technician Training

The Black Chamber of Commerce of Lake County (BCCLC) Weatherization Technician Training Program offers 16 weeks of instruction leading to two nationally recognized credentials in the weatherization and energy conservation field. This program will help prepare individuals to enter a rewarding career as a Weatherization Technician. Construction experience a plus!

The program includes: Lead Rehad (RRP), Fundamentals of Weatherization, National Center for Construction Education and Research (NCCER) Curricula, Building Performance Institute (BPI) Credentials, OSHA Safety, First Aid/CPR, Job Readiness, and over 280 hours of hands-on experience in building science. Graduates will receive job placement assistance upon completion. Successful applicants will be paid a stipend during training.

### To Qualify:

Minimum age 18 years old  
High School Diploma or GED  
Valid Driver's License  
Pass a Drug Test

**Apply Now!!! Space is limited  
Training will begin January 2012**
